

## CORPORATE PROFILE

*With over 20 years' experience trading in the refined petroleum industry **GLOBAL PETROLEUM AUSTRALIA PTY LTD** is a buyer and seller of bulk commodities, specialising in, but not limited to, jet fuel and diesel for international major buyers only, specifically airlines and shipping companies.*

*In our pursuit of total business capability, our clients derive benefit from our diverse portfolio. Optimal value is delivered to our customers by our team of professional and highly dedicated staff who are committed to our core values of **hard work, honesty, transparency, reliability and integrity.***

**Our scope of business encompasses Europe and North America. Our offices are located just south of Sydney, the largest City in Australia, and in Rotterdam.**

**We draw on the strengths of experience, resources, global supply capability and significant strategic partnerships with both suppliers and our customers, to create a highly capable network of supply chain for energy and petroleum.**

### TRADE DESK

Level 1, suite 2, 336 Keira Street, Wollongong N.S.W 2500 Australia  
M: +6141 2421010. E: michael@gpptyltd.com W: www.gpptyltd.com

**Global Petroleum Australia** is committed to delivering exceptional, personalized and flexible service to our buyers worldwide through a strict guideline of honesty and integrity.

Customer satisfaction is the most important value for our Company.

We are always seeking to purchase, among other products, petroleum derivatives such as aviation kerosene JP54, JET A1, low sulphur D2 and D6 at reasonable prices on a long-term contract basis. We would like to establish contacts with genuine suppliers; both re-sellers and refineries.
